	Boar Flt Freq	30.1 FM	
	Hog Flt Freq	30.2 FM	
	Overlord (AWACS)	251.0	

### **Command and Control**

Boar and Hog are to operate independently until:

Hog Flt is satisfied that all Red units North or the Red Artillery are destroyed

This is to be reported to Boar and support offered.

Or Boar Flt requires assistance to prevent any Red Forces from reaching BZYB

If Boar requires Hog assistance, Hog will exercise overall control.

### **Boar**

Entry Pt	SAM-6 north of the Valley
Targets	SAM 6 (unless destroyed by Blue SEAD) Tunguska at or near Red FARP (unless destroyed by Blue SEAD) FARP and associated Red forces Any Red forces between FARP and Red Artillery position

### **HOG**

Entry Pt	South of Bzyb
Targets	Mortar and Artillery Tunguska at or near Red Artillery (unless destroyed by Blue SEAD) Any Red forces South of the Red Artillery position

### **SEAD**

If SEAD is required, Hog or Boar may call on Springfield on Freq 129.0 or 251.0

Immediate AD is to be requested from Enfield on Freq 127.5 or 251.0

Additional protection may be obtained from the hawk Battery at Gudauta

Hog and Bear are to call AWACs on 251.0 when task is complete and they are leaving the area.
